The Valley Equine Vet Centre 2017 State Dressage Championships were a huge success which could not have been possible without the many volunteers. Have you volunteered lately?

In this edition we take a look at the Valley Equine Vet Centre 2017 State Dressage Championships. Do you have a great idea for the newsletter? Contact us at www.dressagewa.org.

Message from the DWA Vice Chair – Tracy Spackman

I would like to thank all those who rode at the Valley Equine Vet Centre 2017 WA State Dressage Championships. There was a great atmosphere, the grounds were fabulous and there has been a lot of positive feed back from competitors which is greatly appreciated. Thankyou to those who put in many hours to make it the success that it was.

We are looking forward to Stephen Clarke returning to WA from the 8th to 12th November 2017. Stephen is keen to support owners, riders and breeders of young horses. He has agreed to judge at Young Horse competition whilst in Perth. He is working with DJTF to put together a format where we can offer both an FEI YH qualifier for those wishing to compete in the eastern states and a second competition for those who are not quite ready for the FEI levels in their age group.

Quote for the month:

“ The secret in riding is to do few things right. The more one does, the less one succeeds. The less one does, the more one succeeds.

“Nuno Oliveira”

WA Judges Upgrade

DJTF would like to congratulate the following judges who upgraded at the SDC in May.
Georgina Marchesi, Heather Carrington Jones, Didy Massey and Liz Watkins.

Examining judges Kim Thomas and Jane Ventura were impressed with their depth of knowledge and well expressed comments.

During the event we were able to offer mentoring opportunities to judges. The use of headsets meant that the judge educator could speak with each participant and they could give feedback. We will continue to offer this to help with judge training.

Visiting judges Liz Duncan, Jan Smith and Jane Ventura enjoyed their trip to WA. They reported that they had seen some super horse and rider combinations and had enjoyed working with our local judges. They congratulated the committee for putting on such a good event.
