NOTES:

1) The above schedules are not compulsory, but more so provide the EA Dressage Community with a common standard for use if desired. The EA Dressage Committee recognises that Judging is for the most part voluntary and payment for services should be negotiated between Event Organisers and Judges directly. Within any such negotiations the EA stipulates that all arrangements between EA Dressage Judges and Event Organisers should abide by the appropriate Australian Law, relating to; tax, workers compensation and insurances (Event Organiser and EA).

2) This form should be completed and provided to the Event Organisers at the completion of judging duties, or as soon as possible after the completion of Judging. Judges wishing to claim expenses must consult and advise the Event Organisers about this desire before accepting a Judging appointment.
