

## Nov 2012 News Sheet for Dressage Judges

Jennie Loristen-Clarke was absolutely charming at her Dressage Education Workshop at Brookleigh on 23 October. Her message to judges was very much the message Stephen Clarke always brings - "As a Judge, the first thing is to be positive, not to judge as a police officer might... we've got to be encouraging in our judging."

She explained that riders and judges must both be "Quick to reward." Discussing Preliminary level, she said "If they are forward, in rhythm and to the bit, it's satisfactory, they are not expected to be through the back, and if they show a bit of cadence you're on an 8!"

## **Nov 24 & 25<sup>th</sup> - writing, mentoring & sitting in opportunities**

November 24<sup>th</sup> will be mentoring opportunities with Guest Judge Deidre Stock who is travelling to WA for Perth Dressage Club's Sunday 25<sup>th</sup> event for Prelim, Novice & Elem horses. PDC is bringing Deidre over on Friday, giving Dressage WA an opportunity to hold an additional event on November 24<sup>th</sup>, principally for Medium- FEI horses, (as they will not have a start on 25<sup>th</sup> Nov), but also running one Prelim, one Novice & one Elem test on 24<sup>th</sup>, along with the higher tests, providing 2 chances for upgrading judges to complete some mentoring or shadow judging over the weekend. Enquiries for Saturday 24<sup>th</sup> should be to Hazel Hikins.

## **Hot Weather Policy**

WA can be very proud of the fact that EA has adopted a very large portion of DWA's Hot Weather Policy, for use in all disciplines across Australia, and it is now in force. DWA has already announced that if it is forecast to be hot, the higher tests will start at 7.30am on Saturday 24<sup>th</sup> November to comply with the Hot Weather Policy, for the welfare of our horses.

## **Congratulations to Megan Tidbury!**

Megan, Acting High Performance Manager at EWA, applied for a one year Masters in Sports Administration and Technology in Lausanne, Switzerland, and was successful! The program was initiated by the International Olympic Committee and is run through four of the major Swiss Universities. One of the aims of the course is for the students to be offered a career in sport after graduation. Many of the graduates of the course have gone on to work within an International Sports Federation (approximately 40 of whom are located in Lausanne itself) or with the International Olympic Committee. Best of luck with the course and your career Megan!

## **Arranging sitting in and mentoring**

Draws will be up on [www.dressagewa.org](http://www.dressagewa.org) listing judges at most events. A current list of Mentors and Judge Educators is now available on this site under [www.dressagewa.org/Dressage Judge Contacts](http://www.dressagewa.org/Dressage%20Judge%20Contacts)

Generally speaking, the best way to arrange mentoring and sitting in is to check the Draw then contact the appropriate JE or Mentor using the Judge Contact list on DWA's website to request the opportunity personally.

## **Becoming a judge**

If you need information on how to become a judge, or how to upgrade, go to [www.dressagewa.org](http://www.dressagewa.org)

Best wishes
